

REMARKS

Examination of the present continuation application filed under 37 C.F.R. 1.53(b) is respectfully requested.

The present application is a continuation of U.S. Application Serial No. 09/717,227 (the "parent application"), filed on November 22, 2000. In the present preliminary amendment, Applicant has amended the specification to cross-reference the parent application.

The Examiner should note that the present application includes new claim 66, which corresponds generally to original claim 1. This claim was allowed in response to the Examiner's Notice of Allowance on July 29, 2003 in the parent application.

In view of the above amendments and remarks, the present application is believed to be in condition for allowance. A prompt notice to that effect is respectfully requested.

Although no additional fees are believed to be due, permission is hereby given to charge any unforeseen fees to deposit account 50-1147.

Respectfully submitted,
